

DONNING INSTRUCTIONS FOR LALIZAS IMMERSION SUITS

1

Remove suit from storage bag

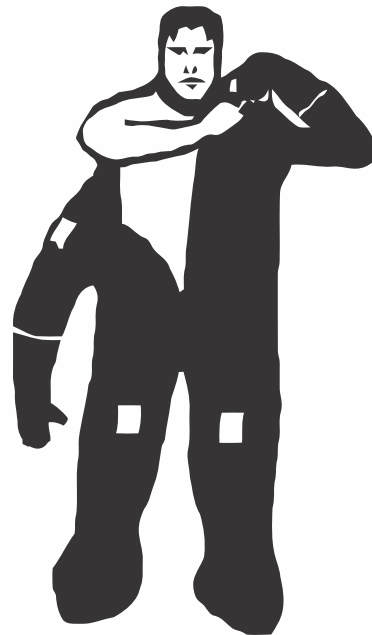

2

Don the suit, feet first, while lying or sitting on the deck

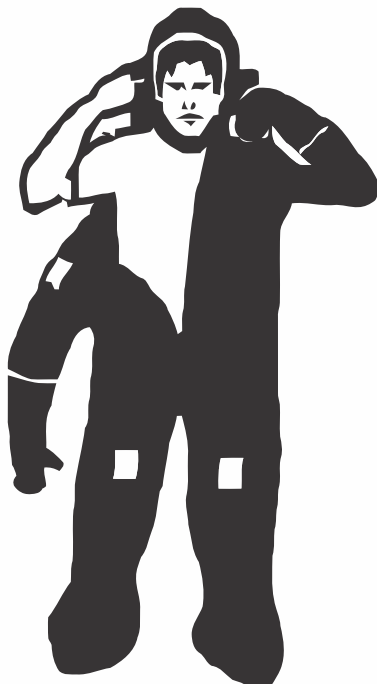

3

Place your weaker arm first into the sleeve of the immersion suit

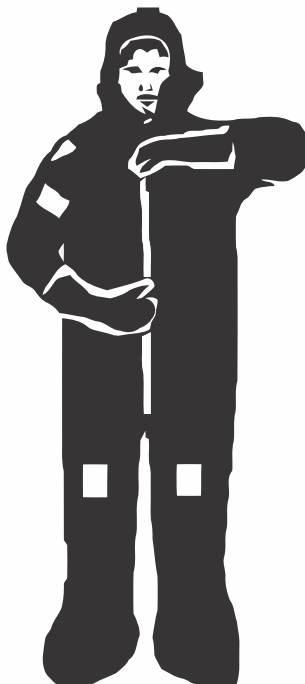

4

Put on the hood with your free hand & put your free arm into the sleeve

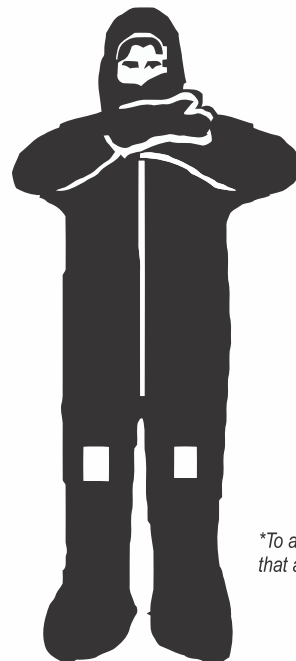

5

Pull straight up the zipper to close

6

Secure the flap over the face / mouth

**To avoid injury make sure that all straps are secured.*

7

Don the lifejacket

** If your lifejacket is inflatable, do not activate until immersed in water.*

8

Jump into the water, feet first

9

Turn onto your back
